In these days of conservation of time and work old ways must give way to new ways.

It is a positive waste to put up with the old, time consuming, back breaking methods of dusting, cleaning and polishing woodwork and floors. It is a waste of money, too.

There is an easier way. A quicker way. And a better and far more economical way. The saving you make in brooms alone will pay for the cost of the

brings the new way—the quick—the easy—the better—the economical—the pleasant way of dusting, clean ing and polishing all woodwork and floors in your home. It does all these things at one time. It makes it easy to clean those hard-to-get-at places. It gives floors a high, lasting polish as you dust them.

Try the O-Cedar Polish Mop (Battleship Model) at our risk. Simply deposit the price with your dealer. He will deliver the mop to you. Test it for three days, if at the end of that time, you are not delighted with the work it does and the work it saves, your money will be returned without a question.
